DONATION FORM

Partners in the Horn of Africa is a registered Canadian charity working in Ethiopia. *Partners* has two distinct features:

1. Donations to *Partners* are not used for administration. Our directors work voluntarily and cover all operating costs. 100% of donations go directly into projects.
2. All *Partners'* projects have an Ethiopian "partner", usually a village or community group that contributes 15-20% of the project cost in the form of labour.

Many *Partners'* supporters are choosing to commit to our monthly Sustaining Donor plan. The stability and low administration of monthly donations enables us to focus on the real need – assisting Ethiopians to have a better life now and in the future.

If annual giving works best for you, please know that your support is equally appreciated.
